NO. OF ENCLS. 25X1

DATE OF INFO.

SUPPLEMENT TO REPORT NO.

This is UNEVALUATED Information

25X1

1. On 4 November 1952, a Polish delegation arrived at the Funkwerk Koenig Berlin, (radio plant) to make inquiries concerning the technical construction of 12 ultra short-wave transmitters which had been ordered.

2. The Poles complained about the high production cost and sales price of the transmitters and declared that cheaper offers were made by all other countries

25X1

The delegation submitted technical and commercial data from these countries
